**Course dates: 12 – 18 June 2016 (Sunday to Friday)**

**Residents Arrive: Sunday 12 June 2016**

**Residents Depart: Saturday 18 June 2016**

Dear Friends,

We are delighted to be hosting ESIM in **Costa Rei - Muravera, Sardinia**.

As in previous years, we need the cooperation of all the EFIM National Societies to advertise the School to potential residents. The principle of applying through your Society is that it enables you to select young internists whom you think will benefit most from this educational experience. In order to plan effectively we would like some indication of your intentions at this stage.

**Sending Residents: Please fill in online Intention to Send Residents Form **by 1 March 2016 at the latest:** <http://www.efim.org/european-school-internal-medicine-summer-2016> .**

**We aim to accept up to 50 residents at the Summer School from EFIM member countries.** Ideally the residents should be under the age of 36 years, fluent in English, and be towards the end of their training in Internal Medicine.

**The registration fee will be 995 Euros per person** which will include: accommodation for 6 nights, all meals, school facilities, internet access, and various social activities. The sponsoring National Society will also be responsible for paying the travel costs of each resident. The round trip transfer from **Cagliari Airport** to Costa Rei - Muravera will cost an additional **50 Euros** per person. The selected residents will receive **link to register online** after we receive your completed online (Intention to Send Residents form).

The provisional programme and other preliminary information will be available soon at the website: [www.esim2016summer.org](http://www.esim2016summer.org) .

On behalf of the School, I thank you for your continued support and I look forward to hearing from you soon.

With best regards,

ESIM Director **Prof. Nicola Montano**
