EFIM Communication

EFIM Communication

Welcome to the EFIM 2021 spring newsletter.
It was a pleasure networking with all of you virtually during our congress, ECIM 2021 welcoming 1100 participants from all over the world.
At the same time, I am very proud and honoured to be taking on the role of EFIM President from Prof. Montano in this quite challenging year and I will do my best to promote further growth of EFIM in the next two years.

Welcome to the EFIM Newsletter Summer Edition

Welcome to the EFIM Newsletter Summer Edition

A lot has been done in the past few months despite the COVID-19 pandemic, and in this summer newsletter we're happy to share with you an overview of the latest information from EFIM, upcoming events, projects and other exciting opportunities.

Action Plan (ABCD Plan) 2021

Academia: Strengthening our academic activities and developing innovative educational platforms.

Building: a system to create our own Poison Papers, Guidelines and Exams that will promote our merit.

Congress: strengthening and Increasing the level and exposure of our Congress , Journals and our Working groups and Subcommittees

Develop and increasing the involvement of EFIM in local activities in each member country.

EFIM Fellowship

EFIM Fellowship launched during ECIM 2021

EFIM
www.efim.org

FELLOWSHIP PROGRAMME

Providing the Federation with a cadre whose responsibility is to uphold and expand the professional aspects of the Federation, and to help integrate the various national activities in internal medicine into the European scene.

A Fellow should have distinguished himself or herself individually in the clinical, educational or professional aspects of internal medicine.

The selection as a Fellow of the European Federation of Internal Medicine is based on significant personal achievements in the field of internal medicine.

BENEFITS FOR THE FELLOWS OF THE EUROPEAN FEDERATION OF INTERNAL MEDICINE

Based on their outstanding credentials, achievements, and contribution to internal medicine and community, physicians who are elected to fellowship can use FEFIM, Fellow of the European Federation of Internal Medicine, as a professional designation.

OTHER BENEFITS FOR THE FELLOWS

- FEFIM designation
- FEFIM Diploma
- Free registration to EIJM (on a first come first served basis)
- Entrance to the Fellow lounge during the ECIM
- Reduced congress fees

HOW TO BECOME FELLOW OF THE EUROPEAN FEDERATION OF INTERNAL MEDICINE

- Verify that you comply with the following eligibility criteria:
 - The fellow works in a country that is an ordinary or associate member of EFIM.
 - The fellow has been practising internal medicine for more than 3 years.
 - The fellow is recognised as a teacher and has given presentations at national or international congresses.
 - The national society member supports the candidacy of the fellow.

Candidates will be evaluated by EFIM Executive Committee, which has the power to approve or disapprove the application.
- Submit the application form online together with the following documents:
 - Curriculum Vitae attesting of 3 years of experience, as well as detailing publications and achievements.
 - Letter of Support from the national society.
- To be included in EFIM activities, a onetime fee of 100€ is due by the EFIM Fellow.
- The fellowship diploma is presented to new Fellows of the Federation during the Annual Congress.

Application can be submitted online via EFIM website/Fellowship

For more information, please contact EFIM Headquarters
