Czech Society of Internal Medicine

Bridging EFIM and ISIM

I consider myself a global citizen

However

I am European

and

I am Czech

2024-26 PE, 26-28 P, 28-30 PP

Czech Society of Internal Medicine
EFIM and ISIM

An offer you can not refuse

**There is no room for rivalry
There is no space for hostility**

**Our target is the same
Our vision is similar, if not the same**

We want Internal Medicine Great again 😊

Czech Society of Internal Medicine

EFIM and ISIM

An offer you can not refuse

Information exchange

Participation at congresses of partner

Invitation to the conferences and seminars of partner

Our vision is similar, if not the same

Cooperation is the key 😊

Czech Society of Internal Medicine

EFIM and ISIM

An offer you can not refuse

Internal Medicine is under pressure
of
superspecialists
GPs

Cooperation is the key 😊

Czech Society of Internal Medicine
