Problems with the actual system

- 1 – No one can guarantee the number of internists per country
- 2 – The countries with more internists have excessive importance
- 3 – The system doesn't take into account differences in income

Principles of the new Membership Structure

- Increment the income from membership to support the daily activities of EFIM office independently of industry
- Decrease the proportional contribution of countries with more internists
- Link the payment to the gross national product per capita

Category per GNP per Capita	Base	Annual Fee per member
>20 USD	2500 €	1,7 €/member
15-20 USD	2000 €	1,7 €/member

Minimum Fee > 100	1200 €	-
Minimum Fee < 100	1000 €	-
Associate Members	500 €	-

Countries with 2 associations pay half base each

Countries with less than 500 members: Pay base+1 €/member
