Welcome Letter

Dear colleagues,

We are delighted to be hosting ESIM in El Escorial, Madrid (Spain).

As in previous years, we need the cooperation of all the EFIM National Societies to advertise the School to potential residents. The principle of applying through your Society is that it enables you to select young internists whom you think will benefit most from this educational experience. In order to plan effectively we would like some indication of your intentions at this stage.

Fee per Resident: 995,00 €

EFIM country members assume
the travel budget of each resident.

Maximum 3 Residents per country.
