- High dependency units
- Hospitalist care
- Hospital at Home
- EFIM working groups
- Winter School
- Swedish Medical Products Agency

A SOCIETY GROWS GREAT  
WHEN OLD MEN PLANT TREES  
WHOSE SHADE THEY KNOW  
THEY SHALL NEVER SIT IN  
GREEK PROVERB

**Championing the Implementation of Choosing Wisely Initiatives**

**Increasing the Impact of All Participating Countries within EFIM**

**Developing the European Curriculum and Examination for Internal Medicine**

**Strengthening Research and Implementation of AI in Internal Medicine**

**Supporting Cross-National Collaboration and the Growth of Hospitalist Medicine**

**Establishing a School and Curriculum of High Dependency Care Medicine**

**Supporting the Next Generation of Internal Medicine Physicians**

**And much more...**

Together, we can shape a federation that not only adapts to challenges but leads the way in transforming internal medicine for the benefit of patients and professionals alike.
