Dear Members of EFIM General Assembly,

We are pleased to announce that the 2027 EFIM General Assembly will be held on Wednesday, 31 March 2027, from 09:00 to 15:00, at the Cité des Sciences et de l'Industrie, Paris, France.

The General Assembly will take place during the 25th European Congress of Internal Medicine, ECIM 2027, marking a very special milestone as we celebrate the 25th anniversary of our Congress. We are pleased to offer complimentary Congress registration to the Presidents of EFIM National Societies and encourage your participation in both the General Assembly and the Congress.

The 2027 General Assembly will include important constitutional elections.
In accordance with Article 12 of the EFIM Statutes, elections will be held for the position of President-Elect for the 2027-2029 term. In addition, an election for the position of Secretary-General for the next two-year term will take place in accordance with the relevant provisions of the EFIM Statutes. The position is open to nominations of eligible candidates, including the re-election of the current Secretary-General, should he wish to stand for a further term.

The elections will follow the updated eligibility criteria for EFIM Executive Committee officers, ensuring the selection of candidates best suited to lead and support EFIM in achieving its strategic objectives.
Nominations for the positions of President-Elect and Secretary-General, duly proposed and seconded, should be submitted in writing to the EFIM Secretariat at **info@efim.org** no later than 28 days before the General Assembly.

The deadline for receipt of nominations is 28 February 2027.

The names of all eligible candidates will be circulated to the members of the General Assembly in advance of the meeting. Candidates will be invited to provide a brief presentation of their background, experience, and vision for EFIM during the General Assembly.
We thank you in advance for your engagement and for submitting nominations of suitable candidates.

We look forward to welcoming you to Paris for the 25th European Congress of Internal Medicine and the 2027 EFIM General Assembly, as we celebrate this special anniversary together.

Kind Regards,

Prof. George Dalekos - EFIM President
