Dear President,

On behalf of the EFIM Executive Committee, we are pleased to announce EFIM 2027 Life Achievement Award.

EFIM Life Achievement Awards will be given to internists who distinguished themselves for the development and improvement of clinical internal medicine in their own country. Providing public recognition of exceptional achievement and service within the National Society is an important initiative of EFIM which was launched for the first time during ECIM 2022 in Malaga.

We would like to kindly ask you to send us the candidacy for the Life Achievement Award of your country for the two categories:

- EFIM 2027 Life Achievement Award in Research Medicine

The letter should clearly state the motivations that support the candidacy for this award in relations to the candidate's effort in supporting internal medicine in:

- Education
- Management at the national international level

- Visibility

Please note that current active Presidents and Board Members of the national societies won't be eligible for the EFIM Life Achievement Award.

EFIM is offering monetary prize of 3000 EUR for the elected winners of the EFIM Life Achievement Award.

Deadline for submissions is 26 February 2027.

EFIM Executive Committee who will act as Award Committee will carefully review each nomination and make the decision.

Letter will be sent to the recipient with information about the ceremony that will take place during the ECIM 2027 in Paris, France.
