

Course dates: 13 – 17 June 2022

Residents Arrive: Sunday 12 June 2022

Residents Depart: Saturday 18 June 2022

Dear colleagues,

We are delighted to be hosting ESIM in **El Escorial, Madrid (Spain)**.

As in previous years, we need the cooperation of all the EFIM National Societies to advertise the School to potential residents. The principle of applying through your Society is that it enables you to select young internists whom you think will benefit most from this educational experience. In order to plan effectively we would like some indication of your intentions at this stage.

You have two ways to Send Residents:

- 1- Fill in online Intention to Send Residents Form **by 30 March 2022 at the latest**
2. Fill in attached application form and sending by mail to semi@fesemi.org

We aim to accept up to 50 residents at the Summer School from EFIM member countries. Ideally the residents should be under the age of 36 years, fluent in English, and be at the end of their training in Internal Medicine.

The registration fee will be 1150 € (Including VAT) per resident which will include: accommodation for 6 nights, all meals, school facilities, internet access, and various activities.

The sponsoring National Society will also be responsible for paying the travel costs of each resident. The selected residents will receive **link to register online** after we receive your completed online (Intention to Send Residents form).

The provisional program and other preliminary information will be available at the website: www.esim2022.com

On behalf of the School, I thank you for your continued support and I look forward to hearing from you soon.

With best regards,

ESIM Director: **Javier Moreno Díaz**
email: semi@fesemi.org
