Future of EFIM Academy

Future of EFIM Academy

- A new perspective brought by Dr. Janaka Karalliedde
 - Upskilling the internist for detection, diagnosis and treatment of cardio-renal - metabolic -liver and obesity conditions
 - Non-promotional funding secured
 - Content highly relevant and practical for the busy internist
 - CRM certification
- Updating the EFIM academy website
 - More interactive features
 - Dedicated sections for young internists and study groups

Future of EFIM Academy

- Working with young internists to develop local and national champions
- Strong collaboration with Working Groups
- Introducing skill based training modules
- Widen our international reach and visibility with further educational collaborations in the next year
- Strong support expected from the member Societies
