# MEMORY REPORT

The Peruvian Society of Internal Medicine (SPMI) is a non-profit scientific and medical entity that brings together and represents physicians specialized in Internal Medicine and related specialties, duly accredited with a university degree.

Our scientific society was founded on November 28, 1964

**SOCIEDAD PERUANA  
DE MEDICINA INTERNA**

On February 10, 1966, the Peruvian Society of Internal Medicine was officially recognized, through Supreme Resolution No. 30/66 - DGS of the Ministry of Public Health and Social Assistance.

On December 16, 1976, it was officially recognized by the Peruvian College of Physicians as a Scientific Society.

**This society is one of the oldest in Perú and has, more than 1,100 internists**

**Since its founding, our society has been growing, as a result we currently have 7 subsidiaries in important cities in our country. we have in Arequipa, Cusco, Huancayo, Ica, Trujillo, Chiclayo and Piura. who develop different scientific activities duly organized and in coordination with the National Board of Directors.**
